

Guinea Friends!

Dear Parents and Families,

Guinea pigs are very social animals and do best with lots of human companionship. Since they are social we will need to have volunteer homes for the weekends. *Please be mindful of volunteering if you have other pets, small children or lack of time, as we want to keep the guineas safe and happy in their new surroundings.*

Should you have any concerns regarding the guineas (ex. student allergies, other medical sensitivities, sanitation practices, etc.) you may contact: Mrs. Meadows @ jmeadows@corbett.k12.or.us or call 503-261-4280.
