Other Comments:

Internet & Google Student Email Account Permission- Intermediate Only

We also plan to participate in several internet activities with the class this year, including but not limited to Typing Web, as well as using Google for Education student email accounts. Generally, student accounts are created for these programs within my teacher/school protected account. Again, we need your permission to create such accounts for your child. Please check the appropriate space below and sign.

I give permission for you to create online accounts for my child, in order to participate in internet programs..

I DO NOT give permission for my child to participate.

Parent's Signature

Date

Please return to school no later than Thursday September 3rd. Thank you!
